

## **Appendix 2: Partnership Directory, strategic links**

### **Nottingham City Homes Strategic Objectives**

These are to:

1. Deliver excellent customer customer-focussed services
2. Engage our customers to influence the shape and quality of the housing services we provide
3. Be a key partner in delivering safe and sustainable neighbourhoods
4. Be a key partner in transforming Nottingham's neighbourhoods
5. Be an excellent organisation

### **One Nottingham's Key Themes**

1. World class Nottingham
2. Neighbourhood Nottingham
3. Family Nottingham
4. Working Nottingham
5. Safer Nottingham
6. Healthy Nottingham

### **Nottingham City Council Challenges**

1. Reduce worklessness
2. Reduce the number of children and young people living in challenging circumstances
3. Improve the educational achievement of young people and skills of our adults
4. Improve the quality and type of housing and neighbourhoods
5. Build a culture of higher aspirations among individuals and organisations
6. Tackle crime confined to small sections of the community
7. Encourage healthier lifestyles
8. Make sure our public services are able to cope with greater pressures put on them
9. Maintain and enhance the resilience and competitiveness of Nottingham's economy
10. Manage environmental, social and infrastructure demands of continuing economic growth
11. Respond to the challenge of climate change
12. Improve the City's governance arrangements to deliver excellent and responsive services and long term change
13. Maintain the City's cohesiveness for our future generations
