

**City of Nottingham - Vision**  
 Nottingham will be a leading UK and international city, driving the competitiveness of the East Midlands. The city’s wealth will grow faster than the UK average and more of that wealth will be retained and invested in our communities and businesses.

**NCH Objectives**

1. To maximise the involvement of residents in the management of Nottingham City Homes
2. To deliver excellent, customer focused services
3. To be a leader in the management of Nottingham’s neighbourhoods
4. To be a key player in the transformation of Nottingham’s neighbourhoods
5. To be a supplier of quality services to other organisations
6. To be an excellent organisation with a customer focused culture

**Tackling Worklessness Strategy - Contribution To NCH Objectives**

Raise aspirations of local people to “achieve through learning” and to “progress through work” by creating opportunities within the Company.

Develop and implement a financial inclusion strategy including ways of tackling child poverty.

Use the power of procurement to increase wealth and investment within the City.
