By Rail

By taxi: When exiting the station, make sure you exit via the ticket hall exit (main exit) as there are a couple of smaller, street level exits onto car parks etc. If you head for the lifts signs, the only lifts are located for exit into the main area. From there, there are always taxis waiting.

By tram: Before exiting the station, look for the directions to the tram. You will need to get off at Old Market Square which is two stops from the station. From there it is only two or three minute walk to Hounds Gate.

Walking: 14 Hounds Gate is approximately a 10 minute walk from the station.
